Congratulates the Party on Eastman's Appointment

Guthrie, O. T., Oct. 3.-Editor V. C. Weich, of the Perry Enterprise-Times baving known what It is to suffer disanpointment, is one of the very few wh does not "view with alarm" the appoint ment of an outsider as receiver of the Enid land office. On the contrary, he makes the appointment of Eastman and of Conkiling an occasion to congratulate the party that the patronage privileges are gradually slipping from the domina tion of the so-called "Big Four," and hints that the rank and file are acquiring a disposition to set aside the whole out fit. On this subject he says editorially is

Mexico, gentlemen, as you may know, has fought twice for her independence, which her people really idelize. The first time was at the beginning of this century and during the eleven years when no nation could or wished to in spite of our heroic resistance, pro-longed for five long years, we might have succumbed, yielding to force, had it not been for the powerful influence of the United States, which promptly setthe tailed states, which promptly set-tled matters in our favor. That historical fact has not been forgotten by any true Mexican, and we all keep it engraved in our hearts. Today, gentlemen, every-body knows that my country, under an independent republican government, is fairly advancing on the road of peace and progress. She is developing her natural resources by means of domestic and for-eign capital, chiefly American, invested in railroads and other great improveents.
